SAFETY FEATURE

ROTATING ELECTRICAL PLUG LOCKOUTS

- Surrounds the electrical plug preventing accidental reconnection.
- Rotating design allows for easier installation in applications with restricted space.
- Tough, lightweight, dielectric Zenex™ thermoplastic body withstands chemicals and performs effectively in extreme conditions (temperature range -46°C to +177°C).
- Complete with highly visible permanent safety labels. Labels can be written on to identify the responsible person, then erased for the next job.
