A BIG RANGE OF QUALITY TIMBER AT COMPETITIVE PRICES

General Grade Radiata Pine

"I just received my first order of timber from you and just wanted to let you know that it won't be my last. You have made things so much easier at my end. Counting, stacking and storing timber in the bundled packs of reasonable lengths was so easy."
Dan Tripney
Hay War Memorial HS

TIME TO CHANGE YOUR AIR PURIFIER FILTERS?

Filters need to be replaced in air purifiers; how long it takes to replace them depends on usage, size, and environment. Recommended replacement time for the Sqair is 6 months. The Blast Mini Mk II: 13 months. The Blast Mk II: 22 months. QT3 comes with an automatic filter replacement button to remind you that your HEPA filter needs replacing.
