SERVICE E SPARE PARTS

A CONTINUOUS COMMITMENT, TO PROTECT TOU INVESTMENT

SERVICE

SCM provides a service that goes beyond the purchase, to guarantee the long term performance of your technological production system and peace of mind for your business.

A COMPLETE RANGE OF AFTER-SALES SERVICES

- installation and start-up of machines, cells, lines and systems
- tailored training programs
- telephone support to reduce times and costs when machines are not working
- preventive maintenance programs to guarantee long term performance
- complete renovation of machines and plants to renew the added value of the investments
- custom upgrading to update machines and plants and meet new production requirements.

SPARE PARTS

SCM can count on 140 spare parts professionals worldwide to meet any request with real time shipments.

36.000 spare parts: our spare parts inventory, with a value of 12 million euros, covers every single machine.

Spare parts guaranteed: we guarantee also hard to find parts, with 3,5 million euros invested in "critical" spare parts.

Immediate availability: over 90% of orders received are carried out the same day thanks to the huge inventory available.

6 branches around the world: The spare parts service can count on worldwide support (Rimini, Singapore, Shenzhen, Moscow, Atlanta, Sao Bento do Sul).

500 shipments a day
